TRANSPORT FOR LONDON

Dear Customer,

On Saturday 3 and Sunday 4 August, roads across London and Surrey will be affected by a weekend of Prudential RideLondon cycling events.

There will be extensive road closures on and around the route. Roads will be closed from early morning and will re-open when it is safe to do so. A number of bridges in London and Surrey, as well as some approaches to the Blackwall Tunnel, will be closed at times over the weekend. Road users are advised to avoid areas near the event route wherever possible.

If you make or receive delivereies in London and Surrey, you may be affected by congestion and increased journey times. If you operate in areas on or near the route, you should talk to your customers and suppliers now to check if there are changes you can make to your deliveries.

For full details, including event information and road closures, and to know your travel options in central London, visit our travel advice page.

Yours sincerely,

Vernon Everitt
Managing Director
