

COUNTER TERRORISM & CRITICAL INCIDENT SERIES

in partnership with

Metropolitan Police Service

Safer Business Network are proud to announce its new Counter Terrorism & Critical Incident Webinar series presented in partnership with Metropolitan Police Protective Security Operations.

A critical incident can evolve from any number of scenarios requiring you to respond and keep staff and customers safe. An act of terrorism is one of those incidents. Terrorism still presents a very real threat to businesses with recent events showing how important the business response will be.

The first webinar of 2021 will take place on Wednesday 20th January 2021 and take place subsequently on the third Wednesday of every month. This series of webinars will explore the important topic of counter terrorism, critical incidents, and best practice on how to respond to these incidents as well as:

- Crowded Places / Security Planning – 20/01/21
- Identifying and reporting suspicious behaviour – 17/02/21
- Evacuation and Invacuation – 17/03/21
- Lockdown, weapons, and firearms attacks – 21/04/21
- Postal threat and advice – 19/05/21
- Dealing with suspicious objects – 16/06/21

SCaN for Communications Professionals

Wednesday 21st July 2021 10:30-12:00

SCaN for Communications Professionals is an awareness of the principles of security-minded communications and outlines what small steps a communications professional can take now to protect their organisation.

SCaN for Communications Professionals Awareness will enable the audience to:

- Understand the vital role corporate communications play in protecting an organisation from a range of threats.
- Understand what those who seek to cause an organisation harm are looking for and need to plan their actions.
- Plan how to help your colleagues and customers protect your organisation.
- Prepare for a major incident or crisis.
